Welcome to Huatulco, where sun-kissed beaches, lush greenery, and culture await you. Whether you're a budget-conscious traveler or simply looking to stretch your pesos further, Huatulco offers a range of low-cost hotels without compromising comfort or convenience. Dive into our guide and unlock the secrets to affordable stays in this Mexican paradise.

Finding Your Perfect Stay

- 1. Location, Location, Location:** Opt for hotels located slightly away from the beachfront. While still within walking distance to the shoreline, these accommodations often offer lower rates compared to their beachfront counterparts.
- 2. Explore Different Neighborhoods:** Venture beyond the tourist hotspots to discover hidden gems. Neighborhoods like La Crucecita and Sector J and K offer budget-friendly accommodations without sacrificing proximity to amenities and attractions.
- 3. Embrace the Local Flavor:** Consider staying in locally-owned guesthouses or smaller hotels. Not only are they typically more affordable, but they also provide an authentic Huatulco experience with personalized service and unique charm.

Tips for Booking on a Budget

- 1. Flexible Travel Dates:** Be flexible with your travel dates to take advantage of lower rates during off-peak seasons. Avoid major holidays and peak tourist seasons for the best deals. In Mexico this means Christmas and Easter.
- 2. Book in Advance:** Plan ahead and book your accommodations well in advance to secure the lowest rates. Keep an eye out for early booking discounts and promotions.
- 3. Utilize Booking Platforms:** Take advantage of online booking platforms and travel apps to compare prices and find exclusive deals. Look for special offers, discounts, and package deals to maximize savings.
- 4. Negotiate Directly:** For long term stays or group bookings negotiate directly with hotels. You may be able to score additional discounts or complimentary upgrades.

Arrivals!

If you're arriving at Huatulco International Airport (HUX) and need to get to the town of La Crucecita or any other destination in the area, you have several options for transportation.

Here are the most common budget methods:

1. Colectivo Taxi from the Airport

Outside the arrivals area of the airport is a taxi booth. You can book a colectivo taxi- they charge about 170 pesos per person. You pay at the booth and they give you a ticket to give the driver. If you are more 4 people or more, it may be more economical to get a private taxi- available through the same taxi booth. It takes about 20-30 minutes to reach La Crucecita, the main town in Huatulco, from the airport.

2. Taxi outside the Airport

This is a more economical choice, if you don't mind walking out to the highway with your luggage. Cost: 200-300 pesos for the taxi.
